

## Product description

The products, mentioned above, are recessed siphons, which may be used for different purposes: ONE corpus (HL4000.0) may be upgraded later on for different applications.

For ONE washing machine: HL4000.0 corpus + HL 4000.1 Single-Upgrade-kit

For washing machine and clothes dryer: HL4000.0 corpus + HL4000.2 **Double-** Upgrade-kit

Or as recessed wash basin siphon: HL4000.0 corpus + HL4000.3 Wash basin- Upgrade-kit

## **Advantages**

- ONE corpus may be completed later on, according to the needs of the end-user
- High availability of the (at the first) needed corpus at the wholesaler or installer
- All visible parts are delivered, when finishing the room and may therefore not get dirty, destroyed or lost
- Perfect cleaning of the removable siphon cartridge
- Transparent backside of the cartridge makes it easy to detect possible contaminations
- Plugging: Wide access to the waste pipe (e.g. with a cleaning eye)
